CLEANLINZ
CONCENTRATE

Quarterly Dental Evacuation Line Cleaning System

Super concentrated formula digests organic matter & eliminates odors, while restoring systems suction to full capacity.

- All natural bacteria & enzymes
- Reduces the population of H₂S forming bacteria
- Non-Foaming and safe to use for all pump systems
- 100% Natural & Biodegradable
- Environmentally safe
- Eliminates sludge & reduces odor
- Safe for all animals, plants & pipes
- Provides optimized degradation of organic waste

Instructions:

- To be used at the end of the day for 8 days, every 3 months.
- For 2 Chairs: Add 1/2 oz (15 ml) of the CleanLINZ concentrate to 32 oz (1 litre) of warm water.
- Mix well and suction into each evacuation line at the end of the day.
- Turn off the suction and allow CleanLINZ to work overnight.
